Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

In the previous action mailed on 7/25/2011, the office action summary (PTO-326) was erroneously marked as being a non-final action (box 2b). This was an error because the action was final in response to Applicant's arguments and amendment. Box 2a should have been marked and a corrected PTO-326 is attached with this letter.
